

SGS Certified Stainless Steel Welded Pipe Advanced Welding Line Technology

Our Product Introduction

more products please visit us on stainless-steelsheetcoil.com

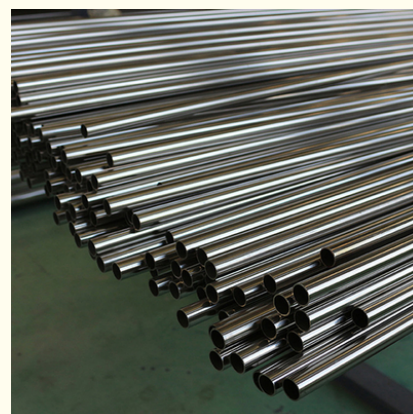

Basic Information

- Place of Origin: wuxi
- Brand Name: tai-steel
- Certification: ISO, SGS, BV, Etc.
- Model Number: 304、304L、316、430
- Minimum Order Quantity: 5-T
- Price: 2900\$
- Delivery Time: 15 working days

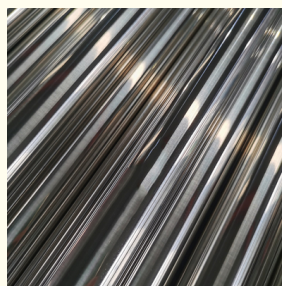

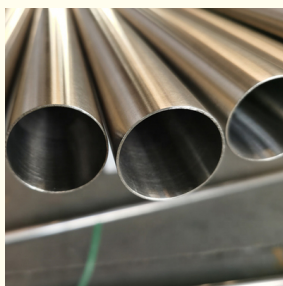

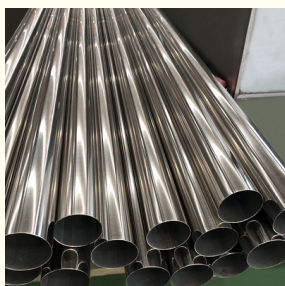

Product Specification

- Outer Diameter: Customized
- MOQ: 2 Ton
- Surface Treatment: Polished
- Welding Line Type: ERW, LSAW, SSAW, Etc.
- Edge Treatment: Beveled, Plain, Etc.
- Length: Customized
- Standard: ASTM, AISI, DIN, EN, GB, JIS, Etc.
- Highlight: **SGS stainless steel welded pipe, Advanced stainless steel welded pipe**

Product Description

Product Description:

Stainless Steel Welded Pipe is manufactured by welding stainless steel strips or sheets and plates together. It is a popular type of steel pipe in the steel pipe industry with high strength, durability, and corrosion resistance. Our Stainless Steel Welded Pipe is available in a wide range of thickness, outer diameter, and length, which can be customized to meet different requirements. It is widely used in fluid pipe, structure pipe, and other applications. The minimum order quantity is 2 tons.

As one of the leading stainless steel pipe distributors in China, we offer high-quality products with competitive prices. Thanks to our advanced manufacturing technology and strict quality control, we are able to ensure that our Stainless Steel Welded Pipe has superior performance and quality. If you have any questions, please do not hesitate to contact us.

Features:

Product Name: Stainless Steel Welded Pipe

Outer Diameter: Customized

Application: Fluid Pipe, Structure Pipe, Etc.

Edge Treatment: Beveled, Plain, Etc.

Wall Thickness: Customized

Type: Welded Pipe

Specialty: Welded Stainless Steel Round Pipe

Material: Stainless Steel Welded Steel Pipe

Shape: Stainless Steel Pipe

Applications:

Stainless steel welded pipe is a type of pipe made of stainless steel material, which is widely used in various industries and fields. **Jans-steel** provides various types of stainless steel welded pipes, including grade **304**, **304L**, **316**, and **430**. All products are certified by **ISO9001** and the minimum order quantity is **5-T**. The price of the product is **2900\$** and the delivery time is **15 working days**. The size of the pipe can be **customized** according to customer needs. The welding line type includes **ERW**, **LSAW**, **SSAW** and other types. The minimum order quantity is **2 Ton** of stainless steel welded pipe. The type of the pipe is **Welded Pipe**, and the ends can be **Plain**, **Beveled**, **Threaded** and so on.

Technical Parameters:

Attribute	Value
Length	Customized
Edge Treatment	Beveled, Plain, Etc.
Size	Customized
Surface Treatment	Polished
Thickness	Customized
Outer Diameter	Customized
Wall Thickness	Customized
Ends	Plain, Beveled, Threaded, Etc.
Type	Welded Pipe
Material	Stainless Steel

Customization:

Stainless Steel Welded Pipe

Brand Name: Tai-Steel

Model Number: 304, 304L, 316, 430

Place of Origin: China

Certification: ISO9001

Minimum Order Quantity: 5-Ton

Price: 2900\$

Delivery Time: 15 Working Days

Outer Diameter: Customized

Standard: ASTM, AISI, DIN, EN, GB, JIS, etc.

MOQ: 2 Ton

Material: Stainless Steel

Thickness: Customized

We specialize in providing welded stainless steel pipe for sale, with competitive prices. Our stainless steel welded pipe is made of premium quality stainless steel material and is highly durable. We are one of the most reliable stainless steel welded pipe manufacturers that offer a wide range of sizes and thicknesses. Our welded stainless steel pipe is available in various standards such as ASTM, AISI, DIN, EN, GB, JIS, etc. Contact us today for more information.

Support and Services:

We provide technical support and service for Stainless Steel Welded Pipe. Our service includes:

Consultation and advice on product selection and application

Design and customization services

Product installation and debugging

After-sales service and technical support

Packing and Shipping:

Packaging and Shipping of Stainless Steel Welded Pipe

The stainless steel welded pipes are packaged in bundles, wrapped in plastic film and strapped with steel strips.

The pipes can be shipped in containers or by bulk cargo.

Special requirements for packaging and shipping can be discussed before ordering.
