Our Stainless Steel Coils are perfect for a range of applications, from construction to manufacturing. They are durable and long-lasting, making them a cost-effective solution for your needs.

Ordering from our Stainless Steel Coil Suppliers is easy and hassle-free. We offer fast shipping and competitive prices, so you can get the products you need without breaking the bank.

Trust us for all your Stainless Steel Coil needs. Contact us today to learn more about our products and how we can help you.

Features:

Product Name: Stainless Steel Coil

Delivery Time: 7-15 Days

Material: Stainless Steel (316 Stainless Steel Coil)

Price: Negotiable

Edge: Slit Edge, Mill Edge

Payment Terms: T/T, L/C, Western Union, MoneyGram

Applications:

The Stainless Steel Coil is a versatile product that can be used in various industries and applications. It is commonly used in the construction and architecture industry, especially for roofing and cladding. The 304 Stainless Steel Coil is also popular in the food and beverage industry, as it is resistant to corrosion and can withstand high temperatures. It is also used in the medical industry for surgical instruments and equipment.

The Stainless Steel Coil is known for its durability and strength. It can withstand harsh weather conditions and is resistant to rust and corrosion. The surface treatment options include polishing and galvanizing, which provide a polished and shiny finish to the product. The thickness of the coil ranges from 0.3mm to 3mm, and the package is a standard export seaworthy package.

The payment terms for the product include T/T, L/C, Western Union, and MoneyGram. The MOQ for the product is 1 ton, which makes it convenient for small businesses and startups. The product is manufactured in China and is of the highest quality.

Whether you are in the construction, food and beverage, or medical industry, the Stainless Steel Coil is a reliable and durable product that can meet your needs. Contact Tai-steel today to place your order and experience the quality of our products for yourself!
